Pl notice her that we will do it ASAP but that Ned will be paid by us independent of the concluding of the contract.

Hi Nili,
Contracts were emailed yesterday to the lawyer, incorporating the change that we did not need. The directions are for him to print out 6 copies, have Ehud sign, and mail them back to me as fast as humanly possible, preferably FedEx. Ned really needs to be paid, and that won't happen for a couple of weeks after we receive the signed contracts. My best regards to both of you, but if this doesn't happen soon we are all going to become more frantic.
Hope you are both well.
Best,
Flip
